

Decisions taken by the Cabinet of Ministers on 12.02.2024

01. Commercial plantation management

In the budget speeches for 2023 and 2024, the President has pointed out that a large amount of land owned by government plantation agencies such as the Janatha Estate Development Board and the Sri Lanka State Plantation Corporation has remained without cultivation or productive use for a long time due to various reasons such as legal problems, institutional conflicts, lack of capital etc. It has been recognized that such large scale lands and underutilized lands appropriate to be given on lease basis to selected investors with the potential to grow exportable crops, raise livestock farms for export and produce other exportable goods and services. A plantation reform program has been prepared by the Non-Cabinet Minister of State Plantation Enterprise Reform to effectively utilize the such lands in a way that will bring multiple benefits to the society by involving local entrepreneurs. Accordingly the Cabinet of Ministers approved the Proposal presented by the Hon. President for the implementation of the said project.

02. Establishment of a National Hospital and a Children Hospital in Gampaha Biyagama Area

Due to the high population growth in Gampaha district and the industrialization of the district, the district acts as a major service delivery center and for that reason, the demand for health services is increasing. The need to build a national hospital and a children's hospital has been recognized to meet that demand. Accordingly, a National Hospital and a Children Hospital are planned to be established in that district under the public-private partnership system. Accordingly the Cabinet of Ministers approved the combined proposal presented by the Hon. President and the Minister of Health to implement the proposed project after acquiring two parcels of land of 7 acres and 3 roods located in the village officer's domain in Biyagama North and providing basic infrastructure.

As a part of the strategic plan, a pilot project is designed to introduce artificial intelligence courses to general education. As such, the Cabinet of Ministers approved the proposal presented by the Hon.

President in his capacity as the as Minister of Technology and the Minister of Education to implement the said pilot project with the support of Microsoft as follows,

- To revise the international syllabus currently implemented by the Microsoft institute based on the recommendations of the National Institute of Educational and commence the proposed pilot projects from grade 8 in schools where the necessary basic human resources are available.
- Digitization of schools selected for the pilot project under the facilities provided by the Microsoft institute
- Training of 100 Information and Communication Technology subject teachers as trainers by Microsoft Institute

04. Access to the Protocol on the Amendment to the Convention on International Civil Aviation

Sri Lanka has signed the International Civil Aviation Convention in 1948 and accordingly Sri Lanka has become a party to the Convention. The 25th General Assembly meeting held on 10.05.1984 approved the amendment of the Chicago Convention to prevent the use of weapons by States Parties against civil aircraft in flight. The said amendment has been in force since 01.10.1998 and a committee has been appointed to make recommendations regarding Sri Lanka's accession to the protocol related to the said amendment (Article 3 bis) to the Chicago Convention. The committee has recommended that there is no obstacle to accessing the said alliance document as the relevant Article 3 bis is also included in the schedule of the Civil Aviation Act No. 14 of 2010. Accordingly, the Cabinet of Ministers approved the proposal presented by the Minister of Ports, Shipping and Aviation to enter into to the paper of alliance related to the amendment to the Convention on International Civil Aviation signed in Montreal on 10.05.1984.

05. Termination of maintaining the area within the Madupara National Park excluded from conservation by the Department of Forestry as a wildlife reserve

In order to raise the legal status of the Madupara Sanctuary, according to a proposal made by the Strategic Environmental Assessment of the Northern Province to upgrade the sanctuary as a National Park, Madu Road Sanctuary was designated as a National Park on 22.06.2015 by a Gazette Notification, by removing some of the existing settlements in the sanctuary and including the forest parts adjacent to it. It has been decided that the remaining paddy lands cultivated since a long time and the land developed as settlements in the Madupara Reserve should be released from the reserve. Accordingly, steps have been taken to release an area of 56.8 hectares from the reservation status through the gazette notification dated 08.08.2023. Accordingly the Cabinet of Ministers approved the proposal presented by the Minister of Wildlife and Forest Resources Conservation to release the area exempted from conservation by the Wildlife Conservation Department following the method mentioned in the Forest Animals and Flora Protection Ordinance.
